

Preparation course for the medical knowledge test for international doctors

Our course concept

The course duration is **15 weeks full-time** or **30 weeks part-time**.

What characterizes our course?

The course offers the optimal preparation for the **medical knowledge test** (DE: *Kenntnisprüfung*) in the context of **professional recognition** (DE: *Anerkennung*) for international doctors.

- ▶ Exclusive learning in small groups with a **maximum of 12 participants**
- ▶ Maximum flexibility through **digital solutions**
- ▶ **Dual structure** to ensure the transfer of theory and practice
- ▶ Individual **learning assessments** on a regular basis
- ▶ **100% cost coverage** through the educational voucher (DE: *Bildungsgutschein*)
